*Eligibility*

The reputation of this show has been built on selecting outstanding and quality handmade work. If you do have products not produced by yourself, it must not exceed 20% of your total booth space. Note: These items are to follow the rules of the show, i.e. no offshore/resale items. Workshop picture required to confirm eligibility.

*How Your Work is Assessed:*

All submissions are juried to ensure our standards are maintained while ensuring high quality for the general public. Quality/originality as well as avoiding too much duplication is the overriding criteria

when selecting work. The jury reserves the right to decide about the appropriateness of all work to be included in the show. The decisions of the jury are final.

*Images of Work & Booth:*

You must submit a minimum of 5 images to a maximum of 10 images of the work that will be sold at the 2019 show. If more than 10 images are submitted, only the first ten will be presented to the jury. **One of these images must capture your workspace and/or you working on your craft/art in order for us to best maintain the credibility & reputation of our show.** You are also encouraged to submit an image showing the booth set-up. While this image is optional, it is to your benefit as it gives the jury an overall view of the range of work that will be sold.
